## CUSTOMER REVIEWS

4.8 ★★★★☆

LINDA DIEBERT

I have now purchased three sewing machines from Quality Sewing and Vacuum in Bellingham. The customer service is awesome and I particularly enjoyed working with Anna on the purchase of my newest machine. A fun and definitely helpful experience.

MICHAEL ROSSI

An absolutely amazing team of people. Across all types of businesses, I can't think of a better customer experience that I have ever had. Thank you so much staying open late for me for my last minute repair need! Repair was done to perfection. You all are so honest and helpful.

SHEILA KLUCK

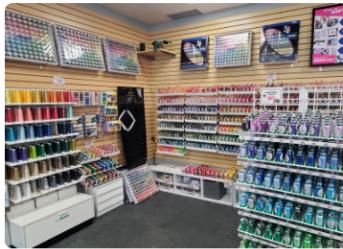

Liz was so good at troubleshooting the basics of my machine and advising me. She said the bobbin movement was smooth, filed where the needle had hit the strike plate, replaced my well-overused needle, explained tension, etc. I'll come back for classes and more.
